Our Mission

The mission of The Highland Foundation for Educational Excellence is to acquire and distribute resources to the Highland Local Schools to enhance, enrich and supplement learning opportunities for its students, staff and community. We achieve this by providing direct support for student development, encouraging staff excellence and creativity, promoting the school district as a center for community learning, and helping build a strong school partnership.
Dear Friends:
What an incredible year! Through these challenging times, we showed our strength as we came together in support of our students and community in new ways, illustrating that The Foundation’s work is more powerful than ever. Thanks to your strong support, we were prepared to pivot and adjust to the most pressing needs of our schools. Your volunteerism and financial contributions provided Highland students with the tools and opportunities to grow, learn and excel.

You responded in force to our “Highland Strong Campaign,” enabling The Foundation to mobilize critical technology resources at a moment’s notice. As Highland administrators prepared numerous scenarios for our students to learn in school and at home, your donations purchased 540 new Chromebooks – one for every incoming 6th and 9th grader, ensuring the potential for increased, personalized learning.

You joined with us virtually when we were unable to gather physically at the annual Great Gifts dinner, which has become such an important event for many of us. Fearless volunteers channeled their enthusiasm into a series of events that kept cocktail and dinner hours lively, and Foundation fundraising on track, as virtual events brought record-setting participation in our raffles and auctions. Local businesses creatively filled the void left by traditional event offerings, gifting fence installation and private brewing experiences.

Your participation granted The Foundation’s continued support of our teachers and students – in big ways. You provided art teacher Katie Massaro the materials to blend STEM and Art with hands-free scribble art machines. You also helped Orchestra Director Rachel Gamin keep nearly 400 students engaged in learning via five days of live zoom workshops with the professional musician she describes as “the LeBron James of contemporary string playing."

Fitting with our 2020 Annual Dinner theme, we moved full “STEAM” ahead with programs and scholarships. In an uncertain economic climate, you helped lighten the financial burden of 23 accomplished Highland graduates with $39,500 in college scholarships. When our students and schools were in need, our community was Highland Strong, joining together to give more than $188,000 to the Highland Local Schools.

Your support…your enthusiasm…your commitment to moving Highland forward has proven that we are STRONGER TOGETHER -- and for that, we thank you.
2021 SCHOLARSHIP RECIPIENTS

Congratulations to the following 23 Highland High School graduates who were awarded a total of $39,500 in scholarships through The Highland Foundation.

HIGHLAND FOUNDATION SCHOLARSHIP ($1,000)

Jillian Auvil is attending Miami University where she is studying pre-med. She is the daughter of Daniel and Darlyn Auvil of Hinckley Township.

Abigail Ellis is attending the University of Alabama where she is studying biology. She is the daughter of Jim Ellis of Granger Township and Jenni Ellis of Sharon Township.

Matthew Hennessey is attending Grace College where he is pursuing a degree in biblical studies. He is the son of Jim and Jill Hennessey of Granger Township.

Anna Lewton is attending Case Western Reserve University where she is studying mechanical engineering. She is the daughter of Elizabeth Albert of Granger Township and Zachary Lewton of California.

Molly Stillwagon is attending the University of Dayton where she is studying accounting. She is the daughter of John and Kim Stillwagon of Sharon Township.

WILLIAM O. WAGAR MEMORIAL MATH & SCIENCE SCHOLARSHIP ($1,000)

Inspired by 1983 graduate Bill Wagar who died of cancer in 2000, this scholarship is awarded to a senior majoring in a math or science-related field. Madalyn Schreiner is attending Cleveland State University where she is studying environmental science. She is the daughter of Gregory and Melissa Schreiner of Sharon Township.

LALITHA CHADA SCHOLARSHIP ($2,500)

Offered to a senior who plans to pursue a career in a science-related field of study, this year’s recipient was Kennedy Liggett who is working toward a degree in nursing at The Ohio State University. She is the daughter of Gregory and Tricia Liggett of Granger Township.

STEVEN J. BILECKY MEMORIAL SCHOLARSHIP ($1,500)

Established by the Bilecky family in memory of their son, Steven, a 1988 graduate, applicants must demonstrate high academic achievement and participate in an interview before a faculty committee. Cassidy Kuhar, daughter of Richard and Susan Kuhar of Granger Township, is currently majoring in psychology at the University of Pittsburgh.
VICTORIA M. JACKSON PERFORMING ARTS SCHOLARSHIP ($1,000)

This scholarship was established by the Jackson family in memory of their daughter, Victoria, who passed away in an auto accident in 2009. This scholarship is presented annually to an outstanding performing arts student. This year’s recipient is Elise Nayman who is studying diagnostic medical ultrasound at Kent State University. She is the daughter of Alan and Kathleen Nayman of Hinckley Township.

HUGH & GRACE EYERDOM MEMORIAL SCHOLARSHIP ($1,000)

This scholarship was created by Don and Edith Simmons in loving memory of Edith’s parents. The scholarship is presented to a student pursuing studies in horticulture, agriculture or other closely related field. Adam Rischar is attending The Ohio State University Agricultural Technical Institute where he is studying agribusiness. He is the son of Jeff and Nancy Rischar of Hinckley Township.

FORMER FRIENDS OF THE HINCKLEY LIBRARY SCHOLARSHIP ($1,000)

Applicants of the Library Science Scholarship, offered through by the Former Friends of the Hinckley Library, should pursue a degree in Information Sciences/Technology or Education. This year’s recipient was Collin Kalina who is pursuing a degree in education at Baldwin Wallace University. He is the son of Chris and Carrie Kalina of Hinckley Township.

MIKE KUDLA MEMORIAL SCHOLARSHIP ($1,000)

Mike Kudla was a 2002 Highland honors graduate and member of The Ohio State University championship football team. He went on to play for the NFL and have a successful business career. Recipients of this award must be passionate in their life goals, possess the qualities needed to persevere through life’s obstacles and the determination to make a difference by helping others in the community. Madelynn Madison is pursuing a degree in graphic design and fine arts at Cleveland State University. She is the daughter of James and Carrie Madison of Sharon Township.

To learn more about past scholarship recipients or to apply, visit highlandfoundation.org.
2021 SCHOLARSHIP RECIPIENTS

BAKER FAMILY LEADERSHIP SCHOLARSHIP ($1,000)

Established by Donald and Carol Baker as a renewable scholarship, the recipient will be a college-bound Highland senior in the top 10% of his/her class who has demonstrated exceptional academic and social leadership traits at school and/or in the community. Owen McInnes is attending the University of Findlay where he is working toward a degree in pre-veterinary medicine. He is the son of Chris and Jodie McInnes of Sharon Township.

(RENEWAL: $1,000)

BAKER FAMILY LEADERSHIP SCHOLARSHIP

Lily Coss, a 2020 graduate, is receiving her second $1,000 award from the Baker Family Leadership Scholarship. She is currently a sophomore at the University of Akron where she is studying toward a degree in Civil Engineering. She is the daughter of Tob and Mary Ann Coss of Sharon Township.

LETHA E. HOUSE SCHOLARSHIP ($1,000)

Mrs. House was a life-long resident of Medina County and was very interested in horticulture, specifically flowers and gardening. Recipients must pursue a career in horticulture or related field of study. Emma Cox is currently studying environmental geology at Ohio University. She is the daughter of Tom and Natalie Cox of Sharon Township.

ALYSSA & JUSTIN HAUN MEMORIAL SCHOLARSHIP ($2,500)

This scholarship was established as a means to give back to the community that gave so much to the Haun family in the wake of the siblings’ tragic deaths in July 2018. This renewable scholarship is awarded to a college-bound senior pursuing a STEM course of study and one who has positively impacted others. This year’s recipient was Maggie Petersen who is studying neuroscience and marketing at Miami University. She is the daughter of Eric and Ann Petersen of Granger Township.

(RENEWAL: $2,500)

ALYSSA & JUSTIN HAUN MEMORIAL SCHOLARSHIP

This scholarship may be renewed for up to three years provided the recipient maintains a 3.0 GPA or higher and achieves sufficient academic credits to advance to the next class year. Cecilia Mainzer, a 2019 graduate, received her third award in the amount of $2,500 from the Alyssa & Justin Haun Memorial Scholarship (year one was $5,000; year two was $2,500). Cecilia is a junior at the University of Akron and studying Chemical Engineering. She is the daughter of Doug and Julie Mainzer of Hinckley Township.

Evan Buck, a 2020 graduate, received his second award for $2,500 (year one was $5,000). The son of Dan and Sherri Buck of Sharon Township, Evan is a sophomore at Allegheny College pursuing a degree in STEM studies.
GEORGE R. AYRES MEMORIAL ACHIEVEMENT SCHOLARSHIPS ($3,000)

These scholarships were created through the estate plan of long-time area resident George Ayres. The scholarships are offered to college-bound Highland seniors in the top 20% of their class who have demonstrated high achievement in scholastic activities, have a record of performance in activities both in school and in the community, and who plan to pursue collegiate STEM studies. Christian Pedersen and Elissa Scheel were this year’s recipients. Christian, the son of Randall and Anita Pedersen of Granger Township, is studying computer science/software engineering at Baldwin Wallace University. Elissa, the daughter of Rob and Debbie Scheel of Granger Township, is majoring in occupational therapy at Gannon University.

(RENEWAL: $3,000)

GEORGE R. AYRES MEMORIAL ACHIEVEMENT SCHOLARSHIP

Anna Lanier, a 2020 graduate, is receiving her second $3,000 award from the George R. Ayres Memorial Achievement Scholarship. She is a sophomore at The Ohio State University where she is studying Biochemistry. She is the daughter of Matt and Stephanie Lanier of Sharon Township.

GEORGE R. AYRES MEMORIAL OPPORTUNITY SCHOLARSHIPS ($3,000)

Made possible through the estate plan of long-time area resident George Ayres, these scholarships are available to Highland seniors in need of an opportunity of their own in order to pursue a professional/technical program, associates degree or traditional college course of study. Applicants explain what inspires them to learn and how this scholarship will impact their future educational and career opportunities. Samantha Kuczynski and Warren Wright are this year’s recipients. Samantha is studying business/marketing at John Carroll University and is the daughter of Kevin and Victoria Kuczynski of Hinckley Township. Warren is the son of Gary and Theresa Wright of Granger Township and plans to serve with AmeriCorps before pursuing a degree at Kent State University.
AREAS OF IMPACT

The Foundation underwrites a diverse mix of educational programs and experiences each year and focuses on six core areas of need. These platforms help students advance on many levels, both in and out of the classroom. At the same time, these areas closely align to the interests of our generous donors. Due to the ongoing COVID-19 pandemic, we were forced to scale back many events and programs and we were not able to impact all our areas of focus. However, the following pages outline $149,468 in grants awarded (or rescheduled) during the 2020-21 fiscal year.

- Literacy
- Special Education
- Intercultural Studies
- Science, Technology, Engineering, Mathematics (STEM)
- Community Enrichment
- Fine Arts

STEM STUDIES

Our generous donors are helping to develop tomorrow’s science, technology, engineering and mathematics leaders. Programs are regularly integrated into the curriculum by working closely with educators to enrich core lesson plans.

CHROMEBOOKS ($124,200)

Providing each student with their own device (for Highland that is a Chromebook) can help ensure they are getting the most out of their day by having unlimited access to a device. 1:1 technology in the classroom allows all students to participate in real time without waiting for a device or sharing a device. Each student is able to work at their own pace, which increases student engagement. As a district, we need to be able to mobilize critical technology resources at a moment’s notice. The closer we can move to 1:1 devices for our students, the smoother the transition will be, under any learning model -- so that students can access content and complete assignments any time, at school or at home.
Popular reading programs and writing exercises encourage Highland students in many grade levels to grow their literacy skills.

ONE DISTRICT ONE BOOK ($12,103)

Now in its seventh year, this annual grant provides a book for all students in grades K-5 (approximately 1,500) and families to read together, stressing the importance of reading at home. This year’s common book was: *Fish In A Tree*, by Lynda Mullaly Hunt. ODOB provides excitement for students with a number of activities held at school. New this year, audio visual recordings were made of each book chapter by student role models, staff, community members and even the book’s author, for students to read along with from their classroom or while at home. The program was held in the Spring due to the extended school year. *(During a typical school year, the program is scheduled from the end of January through February).*
The Highland Foundation has a long history of providing support for band, choir, orchestra, theater and all forms of the arts. Each year, grants are awarded directly to support these important educational experiences.

**FINE ARTS**

The original intent of the grant was to have an in-person workshop. However, the COVID-19 pandemic required a re-imagining of the project. Phase 1, which took part during the 2020-21 school year, consisted of five days of Mr. Silverman teaching Highland Middle and High School students his strum bowing technique through live zoom clinics. Phase 2 will continue into the 2021-22 school year with an in-person, three-day workshop, plus a performance with Mr. Silverman featuring a composition written specifically for the Highland Orchestras. This creates a much more in-depth and meaningful experience for the students overall.

**PUTTING THE ‘A’ IN STEAM ($915)**

This grant allowed the Highland Middle School art teacher the opportunity to infuse STEAM-related lessons into the curriculum for all students in grades 6-8. By adding special materials to the art room such as copper tape and LED lights to create light-up cards, specialty markers/pens and mini motors, students were challenged to design and construct their very own art-creating machine! This lesson offered a new perspective to students.

**TRACY SILVERMAN RESIDENCY ($5,500)**

One of the most respected string players of all time, Mr. Silverman fuses classical, jazz, rock and other styles with his trademark “strum bowing.” The original intent of the grant was to have an in-person workshop. However, the COVID-19 pandemic required a re-imagining of the project. Phase 1, which took part during the 2020-21 school year, consisted of five days of Mr. Silverman teaching Highland Middle and High School students his strum bowing technique through live zoom clinics. Phase 2 will continue into the 2021-22 school year with an in-person, three-day workshop, plus a performance with Mr. Silverman featuring a composition written specifically for the Highland Orchestras. This creates a much more in-depth and meaningful experience for the students overall.
COMMUNITY ENRICHMENT

This area of focus provides learning experiences that help students make positive life choices and develop a community of inclusion. Grants are used to bring in nationally recognized programs and motivational speakers.

WHERE EVERYONE BELONGS (WEB) PROGRAM*
The WEB Program guides 6th graders toward both academic and social success. It works by creating a middle school environment and culture that consists of support and a sense of connection. With WEB, students help students succeed by using members of the 8th grade class as WEB Leaders. These student-leaders are extensively trained to be positive role models and motivators who guide the 6th graders to discover what it takes to be successful in middle school. *(Originally funded in Fall 2020, this program was not implemented until Fall 2021.)*

COLLEGE NOW CLEVELAND ($6,750)
The Foundation has funded this initiative for the past nine years. College Now increases college attainment through college access and success advising, financial aid counseling and scholarship services. Appointments are held at the high school for parents and students. During the 2020-21 school year, College Now served 74 HHS students and parents, aided in the completion of 188 FAFSA applications and offered 41 individual sessions. Due to the ongoing COVID-19 pandemic, several of the meetings took place virtually.
HIGHLAND STRONG Campaign

We continue to be amazed by the generosity of our community. When we announced our Highland Strong campaign in August 2020 to fund additional student Chromebooks for our schools — YOU answered.

Through the support of parents and community members, The Foundation was able to donate over $130,000 to our schools — enough to purchase Chromebooks for all incoming 6th and 9th graders to help our district move closer to the goal of providing all of our K-12 students with their own personal Chromebook for learning online, any time, at school or at home.

Thank you again to all of our Highland Strong donors. You are truly making a difference in our schools, and your support of our teachers and students is greatly appreciated.

One of the greatest gifts you can give is your time. Sharing your time and talent as a volunteer often goes hand-in-hand with supporting a cause or organization financially.

For many, involvement with one of The Highland Foundation’s many committees is a natural extension of caring about our school community.

We remain forever grateful to our financial donors and our team of volunteers who make so much “extra” possible. You play a pivotal role in the growth and advancement of so many students and families within the Highland Local School District.

“I can do things you cannot, you can do things I cannot; together we can do great things.”

~ Mother Theresa
WHY THEY GIVE...IN THEIR OWN WORDS

Kristina, a teacher herself, is passionate about student experiences. After being recruited by a friend to volunteer, she realized she it would be an honor to be a small part of these exceptional opportunities being offered through the Foundation. She and her husband Joe have three boys who currently attend Highland Middle School and Highland High School.

“I love that The Foundation supports teachers and their ability to provide unique opportunities for students. I especially love the creative and artistic grants like The Maker Space and science enrichment at the high school. It has been wonderful to witness the passion that Highland teachers have for their students. The Foundation thrives and exists because of the generous donations and volunteer efforts of so many people. It has been my pleasure to see so much growth and support through the years.”

Lori and her husband Mike are the proud parents of two children who currently attend Highland Middle School. Lori was first motivated to become a volunteer because she wanted to give to the schools and community in a way that was meaningful and feasible, despite being a working mom.

“By volunteering my talents to The Foundation, I have been able to use my creativity to decorate for special events while supporting my passion for education. It is amazing to see the monies raised from the annual Great Gifts Dinner actually come alive through the special events, programs and scholarships provided by The Foundation. The people of the Highland School District (administrators, teachers, secretaries, support staff, community members, etc.), as well as Foundation volunteers are so very special to me. I have witnessed them give so much. Even when faced with adversity, they find a way to give their time and resources to make Highland a special place for all students to learn, grow and succeed!”

Member of The Foundation’s Projects Committee; Highland Parent; Granger Township Resident

Member of The Foundation’s Great Gifts Dinner Committee; Chair of Event Décor; Highland Parent; Granger Township Resident
Amy has a thing for “stars”– not just any stars, they have to be Highland Foundation STARs! Delivering STAR Awards twice each school year is no easy task, but for Amy, mother of three, it’s time well spent.

“I enjoy volunteering my ‘time,’ where others might prefer to donate money because their time is short. But any way that people can help out is time and/or money well spent. My favorite Foundation program, of course, is the STAR Awards. I love delivering the awards – to see the joy on the face of each teacher/staff member/bus driver, is priceless. In the Spring of 2020 when the pandemic hit, our community came together to recognize the Highland staff with what would be the most STAR Awards ever presented and delivered. Volunteers drove all over Northeast Ohio to make sure everyone received their award. It was an incredible effort. The Highland Schools is the core of our community and since each person involved with the schools and The Foundation is unique -- it really sets our community apart.”

Amy and her husband Dan have three children; a 3rd grader at Granger Elementary, a 7th grader at Highland Middle, and a 10th grader at Highland High School.

BECOME A VOLUNTEER!

Help us enrich academic excellence and enhance academic innovation in the Highland Schools! The Highland Foundation is always looking for staff or community volunteers to further advance its mission. We have several committees to chose from. Please visit our website to find your fit!

*Permanently Restricted Funds:* Permanently restricted assets are donated items that have limitations on use that are attached to it for perpetuity and/or when the fund document indicates that the principal or specified amount is not to be spent. Assets that are classified as permanently restricted must be listed as a separate category of assets.

*Temporarily Restricted Funds:* Temporarily restricted assets are those that are donated subject to restrictions that are limited to a specific period of time. An example would be monies donated that could only be used for a certain purpose for a period of five years. Temporarily restricted assets must be listed separately from permanently restricted and unrestricted assets. When the restriction period runs out on temporarily restricted assets, the asset value must be transferred into the unrestricted assets.

*The Highland Foundation for Educational Excellence is a 501(c) (3) non-profit organization, supporting the Highland Local School District through philanthropy. The Highland Foundation is a separate entity from the Highland Board of Education.*
2020-21 CASH FLOW SUMMARY

Beginning Cash/Investments $1,516,317
Cash Income $289,044
Cash Expenses $(307,341)
Interest/Dividends $22,782
Unrealized Gains* $316,219

Ending Cash/Investments $1,837,021

* Gains for the fiscal year were 27%, which aligned with market performance for that time period but are not expected to be this high moving forward.

Timing of award payouts and the possibility that programs will be completed under budget may affect the total payout of grants and scholarships relative to annual awards.
Our Board is comprised of elected community volunteers who are dedicated to maximizing The Foundation’s mission. They give generously of their time and resources. Trustees attend planning meetings, and special programs and events to represent The Foundation and serve as advocates for the Highland Schools. They also lead by example as generous donors to The Foundation.

THANK YOU to Trustees Maile Chapman, Fritz Kohmann and Marc Thomas who have given so much time and effort over the years. Their service to the students and community has been invaluable.

WELCOME to our new trustee who joins the board for 2021-22: MELISSA SHELTON
We look forward to working together to further our mission!
## DONORS
